# About Us:

Knowledge Hub Media connects businesses with an engaged community of business professionals and senior level decision makers.

## Lead Generation through Content Syndication

Create a custom program that yields a guaranteed number of leads that meet specific qualification criteria:

- **Content Leads:** Cast a wider net by including every member of a buying team
- **Select Leads:** Generate qualified leads using specific filters and precise targeting
- **Named Account Leads:** Generate leads with a targeted list of specific companies

Knowledge Hub readers trust and value the suggestions offered by:

- Expert Blogs
- Breaking News Articles
- Research Alert Email Messages

Business professionals and decision makers utilize Knowledge Hub to:

- Stay informed about their industry and field
- Improve their job skills
- Search for solutions to their workplace challenges

Some of our B2B Demand Generation Partners Include:

By integrating the Knowledge Hub Media audience within your marketing strategy, we can help you engage with new customers and respond directly to their needs.

# Why You Should Work With Us:

**Knowledge Hub Media** covers every important business topic - which attracts active B2B buyers from around the globe and across multiple business verticals:

Technology  
&  
Finance

Customer  
Service  
&  
Marketing

Human  
Resources  
&  
Sales

Operations  
&  
Legal

In 2019, over 105,000+ highly targeted leads were generated for various B2B technology partners via content syndication, demand generation, account based marketing (ABM), install base intelligence and intent data analytics campaigns.

With the ability to target content syndication to professionals and decision makers in virtually any niche, **Knowledge Hub Media** differentiates itself as a truly unique and ROI driven lead generation partner.

On-time campaign fulfillment regardless of narrow filter criteria - or large volume lead goals - and professional consultation on all phases of campaign management:

- Defining campaign parameters and expectations
- Campaign setup and lead report delivery
- Implementing campaign optimizations

# What We Offer:

**Knowledge Hub Media** gives business-to-business and technology companies B2B advertising and sponsorship opportunities across all facets of online media. With our dynamic platform, a network of multiple b2b targeted web properties, and hundreds of thousands of visitors on a monthly basis, we offer ROI-focused marketing programs in all B2B verticals.

Whether you are looking for white paper promotion, content syndication, webinars or social media marketing, Knowledge Hub Media is the right solution for your B2B marketing needs. Learn more about how we can help your company increase sales and ROI with:
